Tower Party 2026 – You are invited

We will repeat the success from last three years and do a “running-dinner-style” tower party on June 13th, 2026, starting here in the lobby at 17:30.

Last year we had the party going on until 03:00am with lots of visiting each other, great food, talking, dancing and – quite a few drinks made by professional bartenders. We spoke to many fellow residents afterwards and we have yet to meet someone that didn't think it was a great success – and most urged us to make this party a tradition.

For those that didn't attend, the format was “running-dinner-style” where you were assigned a group and a task to be host for either snacks/drinks, the starter, the main course or the dessert. That meant that you (at least) got to visit 3 other apartments as a guest in addition to being host for 8-9 fellow residents for your assigned task. After a lot of dining and getting to know each other, we had a party in the lobby.

We plan on keeping the format, but maybe there will be small changes.

👉 At this point, all you need to do is to make sure you mark this day in your calendar!
